To: Charles Reyes <charlesr@astswmo.org>,

ASTSWMO is pleased to announce that registration is now OPEN for the ASTSWMO Mid-Year Meeting to be held on April 24-25, 2013 at the Crowne Plaza Hotel in Billings, Montana. Detailed information about the meeting is on the ASTSWMO website at: <http://astswmo.org>. A draft agenda will be available soon. The Mid-Year Meeting will adjourn at 11:30 am on Thursday, April 25, 2013, for travel departure purposes.

This year's Mid-Year Meeting will feature the theme "Maximizing Green Remediation," with speakers discussing national trends and program issues regarding this important topic from the perspectives of State, EPA and other attendees. The Tanks Subcommittee will be organizing sessions on the afternoon of April 24 that focus on abandoned tanks, and roundtable sessions on the morning of April 25 that will focus on several topics, including common compliance violations, institutional controls, state fund soundness, and alternative fuels.

ASTSWMO has cooperative agreement funding available to reimburse a limited number of State/Territorial UST, LUST, and State Fund-Financial Responsibility attendees for their travel expenses, lodging and meals, on a first-come, first-serve basis. Though reimbursement is available on a first-come, first-serve basis, ASTSWMO will reimburse only **one State member per program funding area**, in order to fund as many States as possible under the limited funding. For example, the "State of ASTSWMO" would not be able to have two attendees reimbursed under UST funding.

All members requesting funding will received a 2<sup>nd</sup> confirmation email from me indicating if you are approved for funding or not. Please do not begin purchasing travel until you receive the email directly from me. You can call me if it's been more than 24 hours.

We do encourage States to send members to this meeting who are being funded by the State. This will help ASTSWMO alleviate our reimbursement costs and preserve future funding. There is no registration fee for any of our Mid-Year Meeting attendees.

For all attendees and speakers:

***Date to Remember: Monday, March 25, 2013***

**Please register and make your hotel reservations no later than March 25, 2013.**

Please note: ASTSWMO does reserve the right to close registration prior to the deadline of March 25, 2013.

Should you have any questions regarding registration or travel/logistics for this meeting, please contact me at 202-624-7882. Thanks, and we look forward to seeing you in Billings!
